Dated Bangalore, the 20th/22 May 1919.

From

A. Subramanya Iyer, Esquire, B.A.,

Offg. Inspector General of Police in Mysore.

To

C. S. Balasundaram Iyer, Esquire, B.A.,

Chief Secretary to the Government of

His Highness the Maharaja of Mysore.

Sir,

I have the honor to state that the Inspectors of Police on Kolar Gold Fields are not at present given any local allowance, though officers and officials of other Departments on the Fields are enjoying that benefit, as shown in the accompanying table. These officers are permitted to draw horse allowances at Rs 25/- each if they maintain horses and Rs 7-8-0 if they keep only a bi-cycle. That there is no necessity for the Inspectors on the Kolar Gold Fields to maintain horses was clearly explained to Government in letter No.5309/477 dated the 10th February 1911 by the then Inspector General of Police, the late Mr. Dalvoy Devaraj Urs, who also urged that the horse allowance these Inspectors were drawing should be continued to them and treated as cycle allowances. The matter was disposed of finally only in 1917, when Government Order No.FL.7688-736/S. & A. 132-16-1 dated the 21st June 1917, was issued and till then the Inspectors were allowed to draw the horse allowances though they did not maintain horses. The strict enforcement of the said Government Order has resulted in the Inspectors urging their claims for local allowances. Head Constables and Sub Inspectors draw local allowances and not horse allowances, and it is not understood why the Inspectors alone are denied this allowance

2. The conditions of service on Kolar Gold Fields are quite

peculiar and unlike those prevailing in either the cities or the other parts of the State. The Superintendent of Police, Mr. S.M. Pritchard, reports that "if it is admitted as it must be, that cleanliness and tidiness are amongst the attributes of a Police Officer, the means for maintaining them are especially necessary in a place like the Fields, especially as regards the higher Officers like Inspectors, who have to be always in uniform and meet the officers of the Mines frequently, and have to do duty during the frequent visits of many distinguished guests of the State. It is thus not easy for Inspectors to properly maintain in these times their prestige and status, which the local peculiar conditions especially demand". I quite agree with the views of Mr.Pritchard and consider that the Inspectors and the Sub Inspectors should be given local allowances in addition to cycle allowances, the local allowance in the case of the former being R$ 20/- per mensem and in the case of the latter R$ 12/- per mensem. The extra cost involved by this proposal amounts to R$ 2½ only per mensem, or R$ 30/- per annum as shown below:-

	Per mensem.
9 Inspectors	
Cycle allowance at R$ 7-8-0 each.	R$ 67-8-0
Local allowance at R$ 20/- each.	" 180-0-0
	247-8-0
Deduct the horse allowance now drawn at R$ 25/- each.	225-0-0
Net extra cost	22-8-0 or 2-8-0 each.
10 Sub Inspectors.	
Cycle allowance at R$ 6/- each.	60-0-0
Local allowance at R$ 12/- each.	120-0-0
	180-0-0
Local allowance now drawn by these officers, at R$ 20/- each amounts to.	200-0-0
Savings	20-0-0
Net extra cost.	2-8-0 per mensem

early sanction of Government to this proposal to be brought into effect from Ist July 1919, the extra expenditure being met from the allotment made in the next year's Budget under the head "Kolar Gold Fields Police." None of these officers will be required to maintain a pony, but if any should maintain he will be paid nothing more than what is now proposed.

I have the honor to be,

Sir,

Your most obedient servant,

Offg. Inspector General of Police.

Offg. Inspector General of Police.

1. As desired by Dewan Saheb, a list of Local and Persona. allowances drawn by Gazetted Officers is put up.

2. Under Article 20 Mysore Service Regulations the grant of a local allowance is justifiable only on the following grounds: -

(i) Doing duties not belonging to one's office.
(ii) Exceptional local circumstances such as the unhealthiness ~~or~~ of the locality or duty expensiveness
(iii) Specially Ardous nature of the work.

3. No allowance should be given for appointments which have definite rates of pay attached to them and are not included in a general cadre (as the rate of pay must be deemed to have been fixed after taking into account all the circumstances attaching to such appointments.)

4. The allowances granted to the following do not fall under the principles enumerated above:-

	No. in list.	Designation.	Rate of Allowance.
Administration	3	P.A. to His Highness the Yuvaraja	50
	4	Chief Secretary	200
Revenue Department	1	Revenue Commissioner	200
Excise Department	1	Mr. Rozario, Dist. Excise Officer	50
Industries and Commerce.	1	Asst. Director of Commercial Development	50

5. The rate of allowance for cases falling under para 2 may ordinarily be as follows:-

Pay of appointment	Local Allowance.	
	Minimum	Maximum.
Up to 250	25	50
251 - 600	50	75
601 - 1200	75	100
above 1200	-------	150

In this view the allowances attached to the following appointments will require revision :-

5. The question of prescribing a scale of local allowances to be attached to certain head Quarter appointments was discussed in the file put up (G.M.242-17) and it was decided that the present practice might be left undisturbed.

6. Personal allowances can be granted only in cases in which the pay of an appointment is reduced owing to a general revision or otherwise and the holder would actually lose in the matter of pay but for the grant of a Personal Allowance such allowances should not be granted as reward to raise the emoluments of officers. They should be invariably be absorbed at the next promotion. In this view all personal allowances now drawn are irregular and steps may be taken to abolish all of them as soon as practicable.
